

VIDEO UPLOAD INSTRUCTIONS

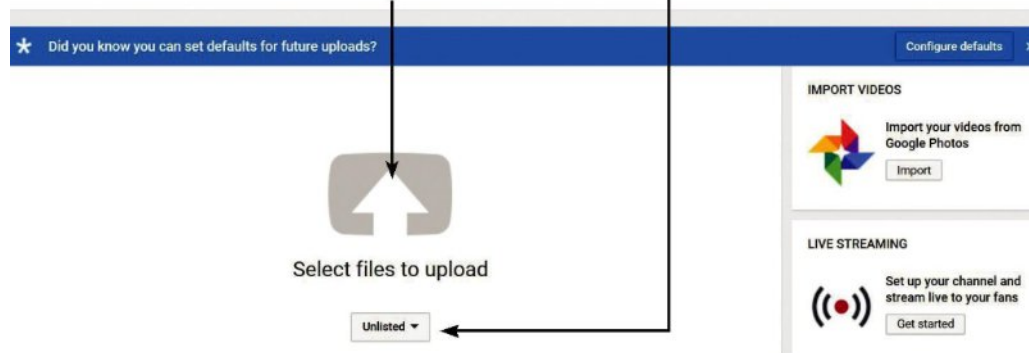

If you need help with your upload, please contact your UFund4Us representative and we will be happy to take care of this for you.

Step 1:

Logon to your YouTube account, if you don't have an account you will need to create one

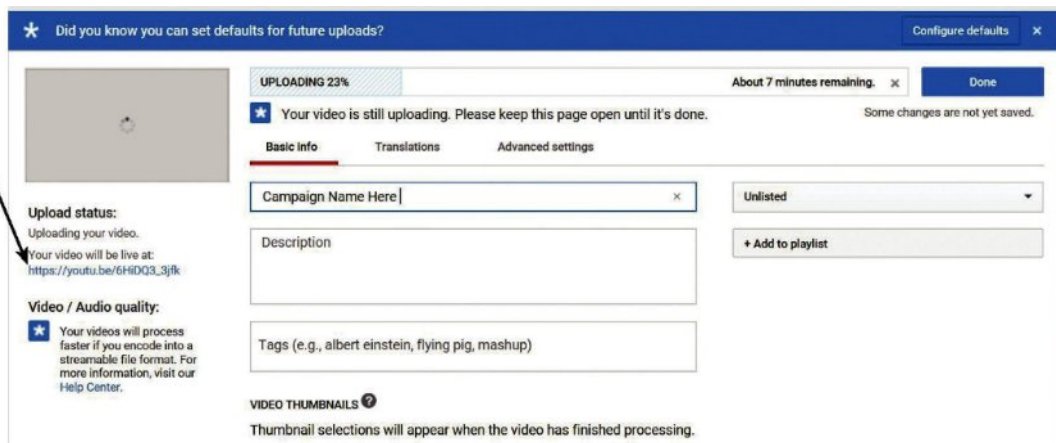

Step 2:

1. Select "Upload" from the upper left corner of the screen
2. Select "Unlisted" from the pull down window
3. Select "Files to Upload" (follow YouTube instructions.)

Step 3:

1. Enter campaign name
2. Copy video URL (mouse over URL and right click and select "Copy Link")

Step 4:

1. Log back onto UFund4Us. Select manage campaign, select your campaign then select basic information
2. Select Video Gallery
3. Paste your YouTube link here

To ensure your video plays properly you will need to add the following formatting to the end of your link, ?rel=0

Example: <https://youtube/7SF6T4Tad2> will become <https://youtube/7SF6T4Tad2?rel=0>
